PURSUIT

OUR AI PROGRAM. YOUR PATH TO A NEW CAREER.

Pursuit's newest training is an accelerated, AI-native training approach designed to equip learners with skills to build technology and get hired in an AI-driven world.

Become AI literate. Build tomorrow's tech today.

Why Join?

- **Future-Ready Skills:** Stay ahead as AI reshapes industries and jobs.
- **Hands-On Learning:** Build real-world projects, not just sit in lectures.
- **Community Focus:** Collaborate with peers and connect with industry mentors.

What You'll Gain

- **AI Literacy:** Understand and use the same tools top companies rely on.
- **Tech Career Prep:** Develop critical thinking, problem-solving, and professional skills.
- **Job-Ready Network:** Build connections with industry leaders and peers.
